

“Vital Signs of a Growing Church”

(Insights from *Acts of the Apostles*) with Chuck Puskas (teacher) and Mitch Kuschke (chef)

Living Water Lutheran Church: Saturday Morning Bible Study

9 AM on the Third Saturday of each Month in the Chapel

To follow a straightforward account about a group of untrained, ordinary people who turned their world “right-side up” for Christ.

- There was no specific program implemented and numerous problems encountered, but this early gathering of believers experienced tremendous growth, both spiritually and numerically.
- How did it happen? Can it relate to us here and now?
- How did the church begin? What were the circumstances?
- Who was in charge? Who were empowered? What explains the growth?
- How do we relate to it all?

Timely and Dynamic Beginnings

September 18th

(Read Acts 1:8; 2:1-4, 22-24, 36-41)

- ♦ How did the church begin? What were the circumstances? Who was in charge? Who were empowered? What explains the growth? How do we relate to it all?

A “Family” That Cares

October 16th

(Read Acts 2:42-47; 4:32-37)

- ♦ What features characterized this “family” that cares? How strong were the “ties that bind”? How did they respond to each other’s needs? Was it voluntary or compulsory? How does it relate to us?

In Mission to “Others”

November 20th

(Read Acts 1:8; 8:1-5; 9:1-6, 10-15; 13:4, 44-47; 28:28)

- ♦ How did it happen? Why did it happen? Who were the “others”? What were the results? Do we have a similar emphasis or focus today?

Concluding Insights and Reflections:

- ⇒ How do we relate to it all? Can we also participate in a great work? What have we learned? What should we do about it?
